## Cenexi HSC

# Auditor's report on the annual accounts

Financial year ended 31 December 2025

## **Cenexi HSC**

Single-member simplified joint-stock company (SAS)  
RCS: Caen 820 324 622

# **Statutory auditor's report on the annual accounts**

Financial year ended 31 December 2025

To the sole shareholder of Cenexi HSC,

## **Opinion**

In accordance with the engagement entrusted to us by decision of the sole shareholder, we have audited the annual accounts of Cenexi HSC for the financial year ended 31 December 2025, as attached to this report.

We certify that the annual accounts, in accordance with French accounting rules and principles, are in order and true and fair, and give a true and fair view of the results of the company's operations for the past financial year, as well as of its financial position and assets at the end of that financial year.

## **Basis for opinion**

### **Audit framework**

We conducted our audit in accordance with the professional standards applicable in France. We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Our responsibilities under these standards are set out in the section 'Responsibilities of the statutory auditor in relation to the audit of the annual accounts' in this report.

### **Independence**

We carried out our audit in accordance with the independence rules set out in the Commercial Code and the Code of Ethics for Statutory Auditors, for the period from <sup>1</sup> January 2025 to the date of issue of our report.

### **Comment**

Without qualifying the opinion expressed above, we draw your attention to:

- The point set out in the 'General Principles' section of the notes to the annual accounts, which explains the circumstances under which the annual accounts were prepared on a going concern basis.
- The note in the notes to the financial statements entitled 'Change in accounting policy', which sets out the effects of the change in accounting policy resulting from the first-time application of ANC Regulation 2022-06.

## Justification of assessments

In accordance with the provisions of Articles L.821-53 and R.821-180 of the Commercial Code relating to the justification of our judgements, we inform you that the most significant judgements we have made, in our professional judgement, relate to the appropriateness of the accounting policies applied, the reasonableness of the significant estimates used and the overall presentation of the accounts.

These assessments form part of the audit of the annual accounts taken as a whole and the formation of our opinion expressed above. We do not express an opinion on individual items of these annual accounts taken in isolation.

## Specific checks

We have also carried out, in accordance with the professional standards applicable in France, the specific checks required by law and regulations.

## Information provided in the management report and in other documents relating to the financial position and the annual accounts submitted to the sole shareholder

We have no comments to make regarding the fairness and consistency with the annual accounts of the information provided in the Chairman's management report and in the other documents on the financial position and the annual accounts addressed to the sole shareholder.

We certify that the information relating to payment terms referred to in Article D.441-6 of the Commercial Code is true and accurate and consistent with the annual accounts.

## Responsibilities of management and those responsible for corporate governance in relation to the annual accounts

It is the responsibility of management to prepare annual accounts that give a true and fair view in accordance with French accounting rules and principles, and to establish the internal control it deems necessary to ensure that the annual accounts are free from material misstatements, whether due to fraud or error.

When preparing the annual accounts, it is the responsibility of management to assess the company's ability to continue as a going concern, to present in these accounts, where applicable, the necessary information relating to going concern, and to apply the going concern accounting policy, unless there are plans to wind up the company or cease its operations.

The annual accounts have been approved by the Chairman.

## Responsibilities of the statutory auditor in relation to the audit of the annual accounts

It is our responsibility to issue a report on the annual accounts. Our objective is to obtain reasonable assurance that the annual accounts, taken as a whole, are free from material misstatement. Reasonable assurance represents a high level of assurance, but does not guarantee that an audit conducted in accordance with professional standards will always detect any material misstatement. Misstatements may arise from fraud or error and are considered material if

can reasonably be expected to influence, individually or in the aggregate, the economic decisions that users of the accounts make on the basis of those accounts.

As specified in Article L.821-55 of the Commercial Code, our audit engagement does not involve providing assurance as to the viability or quality of your company's management.

In the course of an audit carried out in accordance with the professional standards applicable in France, the statutory auditor exercises professional judgement throughout the audit.

Furthermore:

- the auditor identifies and assesses the risks that the annual accounts may contain material misstatements, whether arising from fraud or error, defines and implements audit procedures in response to these risks, and obtains evidence that the auditor considers sufficient and appropriate to form an opinion.  
The risk of failing to detect a material misstatement arising from fraud is higher than that of a material misstatement resulting from error, as fraud may involve collusion, falsification, deliberate omissions, misrepresentations or the circumvention of internal control;
- the auditor reviews the internal control relevant to the audit in order to determine audit procedures appropriate to the circumstances, and not for the purpose of expressing an opinion on the effectiveness of internal control;
- it assesses the appropriateness of the accounting policies adopted and the reasonableness of the accounting estimates made by management, as well as the related information provided in the annual accounts;
- The auditor assesses the appropriateness of management's application of the going concern accounting policy and, based on the evidence gathered, whether or not there is any material uncertainty arising from events or circumstances that could cast doubt on the company's ability to continue as a going concern. This assessment is based on the evidence gathered up to the date of the auditor's report, although it should be noted that subsequent events or circumstances could call into question the company's ability to continue as a going concern. If the auditor concludes that a material uncertainty exists, they draw the attention of the readers of their report to the information provided in the annual accounts regarding that uncertainty or, if such information is not provided or is not relevant, they issue a qualified opinion or a refusal to express an opinion;
- he assesses the overall presentation of the annual accounts and evaluates whether the annual accounts reflect the underlying transactions and events in such a way as to give a true and fair view.

The Statutory Auditor

# Appendices

## **GENERAL PRINCIPLES**

The annual accounts have been prepared in accordance with the provisions of the Commercial Code and ANC Regulation No. 2014-03 relating to the General Chart of Accounts.

The general accounting policies have been applied in accordance with the principle of prudence, based on the following assumptions:

- Going concern, it being noted that CENEXI HSC's parent company, PHIXEN, received confirmation by letter dated 23 April 2026 of financial support from its parent company, Gland Pharma Limited, and has pledged its financial support to its subsidiaries,
- Consistency of accounting policies from one financial year to the next,
- Independence of financial years,
- In accordance with the general rules governing the preparation and presentation of annual accounts.

The basic method adopted for the valuation of items recognised in the accounts is the historical cost method. The main methods used are as follows:

## **CHANGE IN ACCOUNTING POLICY**

Following the first-time application of ANC Regulation 2020-06, the changes in presentation methods that affected the accounts during the financial year are as follows:

### **Disposals and write-offs of intangible and tangible fixed assets**

As at 31 December 2025, disposals and write-offs of intangible and tangible fixed assets, where not directly linked to a major and unusual event, are recognised in operating profit. The proceeds from these disposals are shown under the heading 'Proceeds from disposals of intangible and tangible fixed assets' at €179,243, and the net book values of the fixed assets are shown under the heading 'Book values of intangible and tangible fixed assets disposed of' at €0.

As at 31 December 2024, disposals and write-offs of fixed assets are recognised in extraordinary profit or loss. Proceeds from disposals are shown under 'Extraordinary income' at €0 and the net book values of the fixed assets under 'Extraordinary expenses' at €0.

### **Portions of investment grants transferred to profit or loss**

As at 31 December 2025, the share of investment grants transferred to profit or loss, which are not directly linked to a major and unusual event, are recognised in operating profit under the heading 'Grants' for €407,632. As at 31 December 2024, they were shown under 'Extraordinary income' for €640,177 €.

### **Discontinuation of the expense transfer method for the 2025 financial year**

The discontinuation of the expense transfer method results in transactions which, prior to the application of the new regulation, were recognised under the heading 'Reversals of depreciation, impairment and provisions, and expense transfers', now being classified under other expense or income headings. The main impacts are detailed below.

As at 31 December 2024, there were no movements in the 'expense transfers' accounts.

### **Tax penalties and fines**

As at 31 December 2025, tax penalties and fines, contractual compensation and tax reassessments other than corporation tax, where they are not directly linked to a major and unusual event, are recognised in operating profit. These expenses are shown under the headings

'Other current operating expenses' and 'Taxes, duties and similar payments' for €28,527

As at 31 December 2024, these expenses were recognised in extraordinary profit or loss and were shown under the heading 'Extraordinary expenses' for €24,978.

**Redundancy and retirement benefits**

As at 31 December 2025, redundancy payments, retirement benefits and the related social security contributions, where they are not directly linked to a major and unusual event, are recognised as staff costs. These expenses are shown under the headings ‘Staff remuneration’ and ‘Social security contributions’ respectively, totalling €155,286.

As at 31 December 2024, these expenses were recognised in extraordinary results and were shown under the heading ‘Extraordinary expenses’ at €210,163.

**CHANGE IN ACCOUNTING ESTIMATE**

There were no changes in accounting estimates for the 2025 financial year.

**HIGHLIGHTS OF THE FINANCIAL YEAR**

**Tax audit:**

On 15 January 2025, we received a letter from the tax authorities informing us that we will be subject to a tax audit covering the financial years 2022 and 2023.

This audit is taking place following the decline in our results over recent years.

The audit took place during the first half of the year, from 7 February 2025 to 17 July 2025. During this audit, the following matters were addressed: TICGN, local taxes, VAT and all the entity’s legal and tax documents. Following all the discussions, we were issued with a total adjustment of €144,035 relating to the following:

- Business Property Tax (CFE) for 2022 to 2025, totalling €61,094
- Property tax for 2024 and 2025, totalling €55,405
- VAT deducted in advance amounting to €27,536

**Business activity:**

During the 2025 financial year, CENEXI HSC’s turnover amounted to €24.526 million (compared with €18.617 million in 2024).

Other operating income amounted to €3.990 million (compared with €3.676 million in 2024).

**Investments:**

Tangible and intangible investments made by CENEXI HSC amount to €6,674 million from its own funds:

| Investment categories (in K€) |              |
|-------------------------------|--------------|
| Capacity                      | 3,287        |
| Maintenance                   | 2,001        |
| New products                  | 957          |
| IT and regulatory             | 429          |
| <b>Total</b>                  | <b>6,674</b> |

**Other operating income:**

Other operating income mainly comprises:

- invoices for stock destruction: €0.459 million (compared with €0.664 million in 2024);
- intra-group services: €1.445 million (compared with €2.158 million in 2024);
- re-invoicing of equipment: €0.594 million (compared with €0.835 million in 2024);
- other income of €1.492 million (compared with €0.018 million in 2024)

**Employee profit-sharing**

No employee profit-sharing for the 2025 financial year.

***POST-CLOSE EVENTS***

No significant post-balance sheet events

***INTANGIBLE ASSETS***

The gross value of intangible assets is recognised at cost.

Amortisation of software is calculated on a straight-line basis over the following useful lives:

- Management software => 5 years
- Other software => 2 years

***TANGIBLE FIXED ASSETS***

The gross value of tangible fixed assets corresponds to their acquisition cost (purchase price and incidental costs, excluding acquisition costs).

Depreciation of tangible fixed assets is calculated on a straight-line basis and according to their useful life.

The most commonly applied rates are as follows:

**Tangible fixed assets**

|                                   |          |
|-----------------------------------|----------|
| Buildings                         | 25 years |
| Fittings and fixtures             | 10 years |
| Land improvements and development | 10 years |
| Infrastructure works              | 10 years |
| Complex installations             | 15 years |
| Manufacturing facilities          | 15 years |
| Equipment                         | 10 years |
| Small tools                       | 2 years  |
| Vehicles                          | 5 years  |

|                                                   |         |
|---------------------------------------------------|---------|
| Office IT equipment                               | 3 years |
| Furniture (acquired up to 31 December 2004)       | 3 years |
| Furniture (acquired on or after 31 December 2005) | 6 years |

Fixed assets are subject to impairment if their net book value exceeds the higher of their fair value or value in use. Furthermore, where there is an indication of impairment, tangible fixed assets are subject to impairment testing based on discounted future cash flows.

## ***FINANCIAL FIXED ASSETS***

Loans, deposits and other long-term receivables have been valued at their nominal value.

## ***STOCKS AND WORK IN PROGRESS***

The gross value of stocks of goods, spare parts (technical stock) and supplies comprises the purchase price and incidental costs. Manufactured products and work in progress are valued at their production cost. Fixed manufacturing costs have been taken into account on the basis of the company's normal production capacity, excluding costs arising from under-utilisation. As at 31 December, stocks of semi-finished and finished products are valued at standard cost and have been adjusted to reflect actual production costs.

## ***WRITE-DOWNS ON INVENTORIES***

Where applicable, inventories have been written down through the creation of a provision.

### **Inventories of raw materials and finished goods**

Packaging materials, raw materials and active ingredients:

- Tied-up stock: 100% write-down;
- Slow-moving stock: written down by 50% if held for more than 2 years, 25% if held for more than 1 year.

Finished goods:

- Tied-up and quarantined stock: write-down assessed on a case-by-case basis.

Semi-finished products:

- Stagnant and quarantined stock: write-down assessed on a case-by-case basis.

Write-down capping – finished and semi-finished products:

- Stocks of finished and semi-finished products are written down to their current value, so that their selling price is at least greater than their carrying amount.

Stocks of raw materials and finished goods are written down to reflect their current value at the end of the financial year.

At the end of December 2025, provisions for the write-down of stocks of semi-finished and finished goods amounted to 5,437K for a gross value of 11,067 K€.

### **Spare parts stock**

The method used to calculate the provision for impairment of Cenexi's technical stock as at 31 December 2025 is as follows:

- " Turnover rate of 1 to 12 months inclusive: no write-down;
- " Turnover rate of 13 to 24 months inclusive: 15 per cent write-down;
- " Turnover rate of more than 24 months or no turnover: 90 per cent write-down.

At the end of December, the provision for impairment of spare parts stock amounted to €2,491K against a gross value of €3,398K.

## ***RECEIVABLES AND PAYABLES***

Receivables and payables are measured at their nominal value. Receivables and payables denominated in foreign currencies are measured on the basis of the exchange rate used by the Group at the end of the period. Differences arising from this measurement are recognised as foreign exchange gains or losses.

Monetary foreign exchange gains and losses, and those arising from the translation of liabilities and receivables denominated in foreign currencies, are recognised in the profit or loss for the period to which they relate.

Receivables are, where appropriate, written down through the creation of a provision to take account of any difficulties in recovery that each case may give rise to.

Bank charges relating to the arrangement of financing are recognised under 'Other receivables' and amortised over the repayment term of the relevant loans.

The statement of receivables includes the item "Miscellaneous debtors" totalling 1.489 million euros. This item consists of 1.01 million euros in current account balances with the factoring organisation. The factoring agreement signed in September 2024 is a confidential contract. The risk of debtor default is covered by a credit insurance policy (Coface), which allows for a deconsolidating balance transfer.

The amount of receivables assigned to the factor as at 31 December 2025 stands at 5,773 million euros and is included in financial commitments.

## ***PROVISION FOR RISKS AND CHARGES***

### **Commitments relating to retirement severance payments and length-of-service bonuses**

In accordance with ANC Recommendation 2013-02, the company's liabilities in respect of retirement severance pay and length-of-service bonuses, as set out in collective agreements and conventions, are subject to an actuarial calculation each year and are recognised as a provision for expenses in accordance with IFRS (IAS 19).

Provisions for retirement benefits and long-service awards were adjusted as at 31 December 2025 on the basis of the 2025 projections established during the valuation carried out as at 31 March 2025 and to take account of departures that occurred during the year.

The amount, determined on the basis of actuarial valuations, stands at €5,338,335 as at 31 December 2025. Accounting

#### treatment:

The total amount of the liability in respect of retirement severance payments and length-of-service bonuses is recognised on the balance sheet under 'provisions for pensions and similar obligations'. It comprises the present value at the balance sheet date of the defined benefit obligation, plus actuarial gains (less actuarial losses), less the cost of past service.

Actuarial methods and key assumptions used: end-of-career payments are mandatory for the statutory or collectively agreed portion. Length-of-service bonuses are granted to employees based on their

length of service with the company.

The valuation method used is the projected unit credit method with pro rata adjustment. It involves projecting salary on a straight-line basis between:

- the date on which the service provided by the employee began to generate entitlement to benefits under the scheme (the date of joining the group defining the service applicable to the scheme); and,
- the date on which the employee is assumed to retire in accordance with the assumed retirement age.

This involves projecting the salary up to the employee's retirement date and determining the amount of the severance payment on the retirement date based on the scale most favourable to the employee, between the national collective agreement for the chemical industry and that for the pharmaceutical industry.

The social liability is equal to the severance payment discounted at the net financial rate of return applied over the remaining period from the valuation date to the retirement date, an amount weighted by the probability of death, leaving the company, etc.

These benefits are paid as a lump sum rather than as an annuity, and are payable only if the employee is still in service at the time of retirement.

The assumptions used for end-of-career benefits as at 31 December 2025 are:

- Discount rate: 4 per cent;
- Salary growth rate by category: 2.20 per cent
- Core consumer price inflation: 2 per cent
- Employer's social security and tax rate: 45 per cent

#### Provisions for litigation:

As part of the preparation of the annual accounts, the company reviews potential risks and identified legal disputes. Based on the information available at the balance sheet date, and where appropriate following consultation with its advisers, the company establishes or updates provisions for legal disputes.

### ***DEFINITION OF EXTRAORDINARY INCOME AND EXPENSES***

Extraordinary income and expenses consist of significant items which, due to their nature, unusual and/or abnormal character, cannot be regarded as inherent to CENEXI HSC's operating activities. These include, in particular:

- costs relating to staff departures (redundancies, mutually agreed terminations, settlements) and retirement costs, as well as the associated social security contributions,
- provisions for exceptional risks and charges,
- penalties and fines,
- investment grants,
- gains or losses on the disposal of fixed assets.

### ***TAX POSITION***

The net profit for the financial year results in a tax loss. Cenexi HSC is part of a tax consolidation group whose parent company is Phixen.

The tax consolidation agreement between the two companies is based on the principle of neutrality and requires Cenexi HSC to recognise its tax expense as if there were no tax consolidation.

### ***EXECUTIVE REMUNERATION***

For the financial year ended 31 December 2025, the remuneration paid to members of the management team is not disclosed as this would amount to providing individual information.

### ***TRANSACTIONS WITH RELATED PARTIES***

Transactions with related parties were concluded on arm's length terms. As such, they do not require the additional information referred to in Article R.123-19811°.

### ***LOANS AND DEBTS OWED TO CREDIT INSTITUTIONS***

Loans and debts with credit institutions consist of:

- €5.039 million in borrowings from credit institutions,
- €0.007 million in accrued interest on loans.
